SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

INDEPENDENT AUDITORS' REPORT

To the Directors of Boyle Street Education Centre

Opinion

We have audited the accompanying financial statements of Boyle Street Education Centre, which comprise the statement of financial position as at August 31, 2024, and the statements of operations, cash flows, changes in net financial assets and remeasurement gains and losses for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Boyle Street Education Centre as at August 31, 2024 and the results of its operations and its cash flows, changes in net financial assets and remeasurement gains and losses for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of Boyle Street Education Centre in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing Boyle Street Education Centre's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Boyle Street Education Centre or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing Boyle Street Education Centre's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Independent Auditors' Report to the Board of Directors of Boyle Street Education Centre (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boyle Street Education Centre's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Boyle Street Education Centre's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause Boyle Street Education Centre to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

BOYLE STREET EDUCATION CENTRE Notes to Financial Statements For the Year Ended August 31, 2024

1. AUTHORITY AND PURPOSE

Boyle Street Education Centre (the "Centre") was incorporated on August 16, 2000 pursuant to the *Alberta Companies Act*. The Centre is established to maintain a Charter School within the meaning of the *Alberta School Act*. The income and property of the Centre must be applied solely towards the promotion of this objective. The current charter term will expire on August 31, 2035.

The purpose of the Centre is to inspire and support the educational success and social development of high-risk youth and/or youth (between the ages of 14 and 19 years) who have previously experienced interruptions in their formal learning.

The Centre delivers education programs under the authority of the *Alberta School Act*, Revised Statutes of Alberta, 2000, Chapter S-3.

The Centre receives instruction and support allocations under Education Grants Regulation (AR 120/2008). The regulation allows for the setting of conditions and use of grant monies. The Centre is limited on certain funding allocations and administration expenses.

The Centre is considered a non-profit organization within the meaning of the *Income Tax Act (Canada)* and is exempt from income taxes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the CPA Canadian public sector accounting standards (PSAS). The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Basis of Financial Reporting

Valuation of Financial Assets and Liabilities

The Centre's financial assets and liabilities are generally measured as follows:

<u>Financial Statement Component</u> Cash and cash equivalents Accounts receivable Investments Accounts payable and other accrued liabilities Measurement Cost Lower of cost or net recoverable value Amortized cost Cost

Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations.

Cash and Cash Equivalents

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term, highly liquid, investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. Cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term commitments rather than for investment purposes.

Financial Assets (cont'd)

Accounts Receivable

Accounts receivable are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain.

Investments

The Centre had investments in Guaranteed Investment Certificates that matured in the year. Guaranteed Investment Certificates are reported at cost. GICs and investments not quoted in an active market are reported at cost or amortized cost. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value. Discounts and premiums arising on the purchase of fixed income securities are amortized over the term of the investments using an effective interest method.

Derivatives and portfolio investments in equity instruments that are quoted in an active market are recorded at fair value and the associated transactions costs are expensed upon initial recognition. The change in the fair value is recognized in the Statement of Remeasurement Gains and Losses as a remeasurement gain or loss until the portfolio investments are derecognized. Upon derecognition, the accumulated remeasurement gains or losses associated with the derecognized portfolio investments are reversed and reclassified to the Statement of Operations.

Impairment is defined as a loss in value of a portfolio investment that is other than a temporary decline and is included in the Statement of Operations. In the case of an item in the fair value category, a reversal of any net remeasurement gains recognized in previous reporting periods up to the amount of the write-down is reported in the Statement of Remeasurement Gains and Losses. A subsequent increase in value would be recognized on the Statement of Remeasurement Gains and Losses and realized on the Statement of Operations only when sold.

Contractual obligations are evaluated for the existence of embedded derivatives. They are elected to either measure the entire contract at fair value or separately measure the value of the derivative component when characteristics of the derivative are not closely related to the economic characteristics and risks of the contract itself. Contracts to buy or sell non-financial items for the School District's normal course of business are not recognized as financial assets or liabilities. The Centre does not have any embedded derivatives.

Detailed information regarding portfolio investments is disclosed in in the Schedule 5: Schedule of Cash, Cash Equivalents, and Portfolio Investments and Note 6.

Liabilities

Liabilities are present obligations of the Centre to external organizations and individuals arising from past transactions or events occurring before the year end, the settlement of which is expected to result in the future sacrifice of economic benefits. They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

Non-Financial Assets

Non-financial assets are acquired, constructed, or developed assets that do not normally provide resources to discharge existing liabilities, but instead:

- (a) are normally employed to deliver services;
- (b) may be consumed in the normal course of operations; and
- (c) are not for sale in the normal course of operations.

Non-financial assets include tangible capital assets and prepaid expenses.

Tangible Capital Assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset, and asset retirement cost.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Construction-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Tangible capital assets with costs in excess of \$5,000 are capitalized.
- Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the Centre are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, (e.g., insurance, maintenance costs, etc.). The discount rate used to determine the present value of the lease payments is the lower of the Centre's rate for incremental borrowing or the interest rate implicit in the lease.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Vehicles	20%
Equipment	20%
Computer hardware & software	17% - 33%

Prepaid Expenses

Prepaid expenses is recognized at cost and amortized based on the terms of the agreement or using a methodology that reflects use of the resource.

b) Operating and Capital Reserves

Certain amounts are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Net Assets.

c) Revenue Recognition

All revenues are reported on the accrual basis of accounting. Restricted revenue received for which goods or services have not been provided by year end is recognized as unearned revenue.

Government grants

Restricted government grants and associated externally restricted investment income are recognized as deferred contributions if the eligibility criteria for use of the grant, or the stipulations together with the Centre's actions and communications as to the use of the grant, create a liability. These grants are recognized as revenue as the stipulations are met and, when applicable, the Centre complies with its communicated use of these grants.

All other government grants, without stipulations for the use of the grant, are recognized as revenue when the grant is authorized and the Centre meets the eligibility criteria (if any).

Donations and non-Government contributions

Donations and non-government contributions are received from individuals, corporations, and private sector not-for-profit organizations. Donations and non-government contributions may be unrestricted or externally restricted for operating or capital purposes.

Unrestricted donations and non-government contributions are recognized as revenue in the year received or in the year the funds are committed to the Centre if the amount can be reasonably estimated and collection is reasonably assured.

Externally restricted donations, non-government contributions and realized and unrealized gains and losses for the associated externally restricted investment income are recognized as deferred contributions if the terms for their use, or the terms along with the Centre's actions and communications as to the use, create a liability. These resources are recognized as revenue as the terms are met and, when applicable, the Centre complies with its communicated use.

In-kind donations of services and materials are recognized at fair value when such value can reasonably be determined. While volunteers contribute a significant amount of time each year to assist the Centre, the value of their services are not recognized as revenue and expenses in the financial statements because fair value cannot be reasonably determined.

Investment income

Investment income includes dividend and interest income and realized gains or losses on the sale of investments. Unrealized gains and losses on investments that are not from restricted transfers, donations or contributions are recognized in the Statement of Accumulated Remeasurement Gains and Losses until the related investments are sold. Once realized, these gains or losses are recognized in the Statement of Operations.

d) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

e) Program Reporting

The Centre's operations have been segmented as follows:

- **Pre-K Instruction**: The provision of Pre-Kindergarten education instructional services that fall under the basic public education mandate.
- **K to Grade 12 Instruction**: The provision of instructional services for Kindergarten to Grade 12 that fall under the basic public education mandate.
- **Plant Operations and Maintenance**: The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation**: The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facilities.
- **Board and System Administration**: The provision of board governance and systembased / central office administration.
- **External Services**: All projects, activities, and services offered outside the public education mandate for Pre-K children and students in K to grade 12. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses are reported by program, source, and object on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as a proportionate share of supplies and services, school administration and instruction support, and system instructional support.

f) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The Centre recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, portfolio investments, and accounts payable and other accrued liabilities. Unless otherwise noted, it is management's opinion that the Centre is not exposed to significant credit and liquidity risks, or market risk, which includes currency, interest rate and other price risks.

f) Financial Instruments (CONT'D)

Portfolio investments in equity instruments quoted in an active market and derivatives are recorded at fair value. All other financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of items in the cost or amortized cost upon initial recognition. The gain or loss arising from derecognition of a financial instrument is recognized in the Statement of Operations. Impairment losses such as write-downs or write-offs are reported in the Statement of Operations.

g) Measurement Uncertainty

Measurement uncertainty exists when there is a variance between the recognized or disclosed amount and another reasonably possible amount. The preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization rates are based on the estimated useful lives of capital assets. Other significant areas requiring the use of management estimates relate to the potential impairment of assets.

Estimates of liabilities for contaminated sites are subject to measurement uncertainty because the existence and extent of contamination, the responsibility for clean-up, and the timing and cost of remediation cannot be reasonably estimated. The degree of measurement uncertainty cannot be reasonably determined.

There is measurement uncertainty related to asset retirement obligations as it involves estimates in determining settlement amount, discount rates and timing of settlement. Changes to any of these estimates and assumptions may result in change to the obligation.

3. CHANGE IN ACCOUNTING POLICY

Effective September 1, 2023, the school division adopted PS 3160 Public Private Partnerships (P3), PS 3400 Revenue and PSG-8 Purchased Intangibles prospectively, with the exception of P3 contracts entered prior to September 1, 2023, of which retroactive application is used without restating prior year comparatives. As a result prior year comparatives are not restated for revenue, purchased intangibles or P3 contracts.

• Adoption of PS 3400 Revenue

There were no changes to the measurement of revenues on adoption of the new standard.

• PSG-8 Purchased Intangibles

School division also adopted the PSG-8 Purchased Intangibles Guideline. Changes made to the consolidated financial statements include:

 Purchased intangibles are now recognized as assets in the financial statements when they meet the asset definition and general recognition criteria. Prior to adoption, purchased intangibles were expensed.

3. CHANGE IN ACCOUNTING POLICY (CONT'D)

• Adoption of PS 3160 Public Private Partnerships

There was no impact on the Centre's financial statements from the application of this standard.

4. FUTURE CHANGES IN ACCOUNTING STANDARDS

On September 1, 2026, School Jurisdiction will adopt the following new conceptual framework and accounting standard approved by the Public Sector Accounting Board:

• The Conceptual Framework of Financial Reporting in the Public Sector

The Conceptual Framework is the foundation for public sector financial reporting standard setting. It replaces the conceptual aspects of Section PS 1000 Financial Statement Concepts and Section PS 1100 Financial Statement Objectives. The conceptual framework highlights considerations fundamental for the consistent application of accounting issues in the absence of specific standards.

• PS 1202 Financial Statement Presentation

Section PS 1202 sets out general and specific requirements for the presentation of information in general purpose financial statements. The financial statement presentation principles are based on the concepts within the Conceptual Framework.

Management is currently assessing the impact of the conceptual framework and the standard on the (consolidated) financial statements.

5. ACCOUNTS RECEIVABLE

	 2024	2023
Goods and Services Tax (GST) recoverable	\$ 42,978	\$ 32,988
	\$ 42,978	\$ 32,988

The Centre did not have an allowance for doubtful accounts as at August 31, 2024 (August 31, 2023 - \$NIL).

6. INVESTMENTS

	2024	2023
Guaranteed Investment Certificate	\$ 2,000,000	\$ 2,148,591
	\$ 2,000,000	\$ 2,148,591

Guaranteed Investment Certificate bears interest at 4.35% (2023 - 5.10%) per annum and matures in August 2025. The fair value of the guaranteed investment certificate approximates their carrying value.

7. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES	 2024	2023
Trade payables and accrued liabilities Staff professional development Staff health spending	\$ 103,260 18,497 3,163	\$ 47,780 10,513 6,592
	\$ 124,920	\$ 64,885

8. BENEFIT PLANS

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

Current and past service costs of the Alberta Teachers Retirement Fund ("ATRF") are met by contributions by active members and the Government of Alberta. Under the terms of the *Teachers Pension Plan Act*, the Centre does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers Retirement Fund on behalf of the Centre is included in both revenues and expenses. For the school year ended August 31, 2024, the amount contributed by the Government was \$116,288 (2023 - \$104,542).

The Centre provides a non-contributory retirement allowance for its support staff. This benefit provides support staff with a retirement allowance based on years of employment with the Centre. The allowance is to be paid out when employees retire from their position at the Centre.

Employee future benefit liabilities consist of the following:

	 2024	2023
Support staff retirement allowance	\$ 16,800	\$ -
	\$ 16,800	\$ -

9. NET ASSETS

Detailed information related to net assets is available on the Schedule of Changes in Net Assets. Net assets are summarized as follows:

	2024	2023
Unrestricted net assets Operating reserves	\$ (50,865) 2,000,000	\$234,897 2,000,000
Net assets from operations Investment in tangible capital assets	1,949,135 12,630	2,234,897 22,278
Net assets	\$ 1,961,765	\$ 2,257,175
The Board authorized the creation of the following reserves:		
Relocation Enrollment	\$ 1,000,000 1,000,000	\$ 1,000,000 1,000,000
	\$ 2,000,000	\$ 2,000,000

The relocation reserve was created for potential moving expenses into a new school building. The enrollment reserve was created for contingency purposes in case of a sudden drop of student enrollment in a particular year. These operating reserves are not available for other purposes without the approval of the Board.

Net assets represent funding available for use by the Centre after deducting funds committed for use by the Centre.

10. RELATED PARTY TRANSACTIONS

Related parties are those entities consolidated or accounted for on the modified equity basis in the Government of Alberta Consolidated Financial Statements. Related parties also include key management personnel in the Centre and their close family members.

All entities that are consolidated in the accounts of the Government of Alberta are related parties of the Centre. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.

The Centre and its employees paid or collected certain taxes and amounts set by regulation or local policy. These amounts were incurred in the normal course of business, reflect charges applicable to all users and have been excluded from this schedule.

	Balance			Transactions			
		Assets	L	iabilities	Revenue	E	xpenses
Government of Alberta Education							
Grant revenue/expenses ATRF payments made on behalf	\$	-	\$	-	\$ 3,921,933	\$	-
of the Centre		-		-	116,288		116,288
2023 - 2024	\$	-	\$	-	\$ 4,038,221	\$	116,288
2022 - 2023	\$	-	\$	-	\$ 3,809,414	\$	104,542

11. ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The Centre's primary source of revenue is from the Government of Alberta. The Centre's ability to continue viable operations is dependent on this funding.

12. CONTRACTUAL OBLIGATIONS

The Centre rents its premises for \$45,663 per month plus common area costs and GST. The lease expires on August 31, 2026. Estimated payment requirements for the lease are as follows:

2025 2026	\$ 547,963 547,963
	\$ 1,095,926

13. BUDGET AMOUNTS

The budget was prepared by the Centre and approved by the Board on May 18, 2023. It is presented for information purposes only and has not been audited.
